NEW event

GAME AND LITERACY AFTERNOON

We received a lot of positive feedback from children and their parents after our new PTA event, which took place last Friday, February 8th.

This event was conducted for students from Kindergarten to 2nd grade. PTA members and volunteers organized about 10 game stations, split between the Multi-purpose room and the FIS, where our younger students could have fun while practicing spelling and writing.

More than 25 parent-volunteers, teachers and school staff took part in the preparation and holding of this PTA event.

Taking this opportunity, we would like to express our great appreciation to Priya Chandwani, our new PTA Board member and the Chairperson of this event, for enthusiasm and excellent management. Many thanks to each and everyone of volunteers for their time and effort!

We hope that in the future Game and Literacy Afternoon will become a traditional Northwood event!

❑ What is a school yearbook?

It is a colorful annual book of memories that contains class photos, portraits of students, teachers and school staff. It contains pictures of different school events, class time, recess, field trips and music concerts.

A Northwood yearbook is produced by Northwood PTA, and printed in a special printing house. All yearbooks will be available for distribution by the end of the school year. To receive a yearbook, please place a pre-paid order in advance.

❑ What is a Box Tops for Education program?

This program offers schools a way to earn extra money by collecting tabs from the packaging of different household items their students' families already buy.

Some General Mills products carry the Box Tops for Education logo, which families can clip and send to the school. These can then be submitted to General Mills, and each Box Top earns the school 10 ¢.

Click on the link below to find a list of products with Box Tops for Education logo on them:

<https://www.boxtops4education.com/ea/rn/participating-products>

The more families that participate in the program, the more money we can raise for our school.

Here at Northwood, the top 3 students who turn in the most Box Tops will have a special breakfast with our principal, Mr. Derrick. The class with the most Box Tops turned in will also earn a special prize.
