## Northwood Back-to-School Curriculum and Chromebook Distribution Schedule

August 11th - 14th, 2020

- **Students and families need to stay in their cars at all times for their safety.**
- All items will be placed in your vehicle's trunk, rear cargo area, or truck bed.
- As families drive into the line, please open your trunk or hatchback and staff will place items inside.
- **We will be utilizing both the bus loop and staff parking lot. Please see the map attached and double-check your pick-up area and time.**
- Please have your emergency card filled out to turn into a staff member if you have it completed. If not, please write your child's name and grade on a piece of paper.
- If you have multiple children in different grade levels you will likely have to come back on another day for that grade level. We apologize for any inconvenience.
