### Principal's Message

SBAC Testing at Northwood has begun for 3rd through 5th graders and our students are focused and prepared. While our students are more than test scores we are proud to see them take on this difficult task with confidence. We are also excited to celebrate Teacher Appreciation this month. Here at Northwood, we are truly blessed with outstanding teachers who are always thinking of their students. I am lucky to work with a group of such caring professionals who are committed to seeing every student succeed. I also have some very exciting news to share with my Northwood Family. I successfully defended my dissertation on April 8th and have completed my Doctorate. This has been a 3 year process and I feel honored to be part of the 1.67% of Doctors. Thank you, Northwood, for your continued support and inspiration!

Warmest Regards,

*Dr. Derrick*
