Principal's Message

Welcome back to a new and exciting school year. Every year presents new potential for learning and making new connections. I have enjoyed walking around seeing students getting to know their new teachers and settling into their classrooms. I am always impressed at how eager our students are to get to school and their readiness to learn. Our school performance reflects our community commitment to learning as we have continued to make gains in ELA and Math. We have also continued to grow and have added another class this year. I want to make this another exceptional year so we have been working to plan outstanding events and make some fresh new updates. As you can see below, Apex FunRun is back again help our school PTA raise funds for our classrooms. This has been a fun community events as well as a way for students to learn valuable lessons and help their school. Thank you for your support to keep our school strong and make sure that our students have the experience they deserve.

We are excited to bring back Apex FunRun to Northwood for a third year. The Fun Run will be on Thursday, October 10th, 2019, and all families are welcome to attend. The funds raised from Apex have been a huge benefit to our school and we appreciate your full participation.

The Apex crew will be back to help us kick off with a rally and introduce this year's theme: GAME-ON. Let's make this year another huge success to support our Northwood students!

Back-To-School Nights

Mark your calendars for our curriculum night on Thursday, September 19th at 6:00 pm. We will start with a general meeting in the Multipurpose Room followed by classroom meetings. This is a wonderful opportunity to come and meet your student's teacher and to hear about expectations and plans for the new school year. This is your chance to ask questions and receive first-hand information from your classroom teacher. Childcare will not be provided.

Back-to-School Night for 4th and 5th Grade Families will be held on a separate night. Wednesday, September 4th, 6:00 p.m. We will also be starting in the Multipurpose Room with a general meeting.

School Rules During and After School

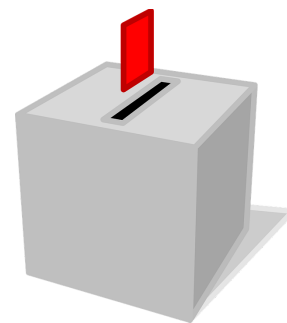

As our school continues to grow it is important that all of our students follow school safety rules during and after school. We appreciate your support in helping your children follow the rules that we expect at all times, including during PTA, and evening events. Below are some expectations that all students should adhere to at all times.
