Dr. Derrick, Principal

Pathway to the Future

School Site Council Meeting Minutes Thursday, January 21, 2021 2:30 P.M. Google Meet

Present:

Andrew Derrick, Mary Helfenberger, Keiko Charif, Val Bobias, Amanda Meng, Jacquie Kramer, Nitu Singh, Prati Dayal, Parul Manglik, Mukta Goyal

Absent: None

Called the meeting to order: 2:32 P.M.

Roll Call: Everyone was present.

Approval of Agenda: No Change or No Addition to Agenda

Public Comment: None

Unfinished Business: None

Ongoing Business:

1. DELAC

The Berryessa School District was chosen for the Federal Program Monitoring (**FPM**) process. In general school districts that receive funding for the EL programs may be chosen for a review by the state. The purpose of the review is to ensure that they are spending the funding as required by law. At the end of each review, the state will complete a report that details any findings of non-compliance and informs the school district how to correct the findings.

The audit was officially over and they found zero findings to be flagged in Berryessa School District.

New Business:

1. ERP Honor Roll

Northwood is again selected to Math Honor Roll school by Educational Results Partnership. Socio Economic Disadvantaged students equity is still a high priority.

2. School Reopening Plan

Due to the current surging of numbers of COVID patients, also the Governor's school opening plan is very restrictive, the school district is inclined pushing the school opening to the next school year Fall. Still in the negotiation process. Also vaccination distribution to the educators (Tier 1-b) will delay. There is the County's COVID vaccine website to check the vaccine's availability. Each teacher will register and take vaccines individually. There is no state mandated regulation that teachers must take the vaccine before they return to the classroom.

The logistics of cohesive classroom setting for all students is technically difficult, when we keep 6-foot distance protocol.

3. Classroom Technology Expenditures

We focus on the classroom technology that teachers need during the distance learning. The designated funds cannot be carried over to the next year. We must process the P.O. by May.

Here are the suggestions.

1. INSwan Doc Cameras - \$94 on Amazon
2. Larger Monitors - range from \$100-\$130 (not sure which one we are going to go with but will be around that price)
 - Some people call them screens but we are talking about computer monitors.
3. Replacement bulbs Mrs. Bobias will have to talk to Holly about. They are a couple hundred dollars a piece.

Dr. Derrick wants to have the same technology across the grade level and he will send the survey form to each grade level and will get back to the next SSC meeting in February.

Approval of the Last Meeting Minutes: Mrs. Kramer motioned to approve and Dr, Derrick seconded. All in favor.

Next meeting Date: Late February

Meeting adjourned: 3:30 pm

Minutes submitted by: Keiko Charif
